

Easy Fundraising

If you (or someone you know) has ever shopped online then here is a way to make money for the choir without costing you anything.

It's very simple - just visit www.easyfundraising.org.uk to have a look at their website.

The choir is registered with this organisation. You can go and shop online with over 2000 well known retailers including Amazon, Argos, M&S, eBay, Next and many more to choose from. Whenever you buy something (goods, services, holidays, etc.), the retailer makes a donation to Carlton MVC. They have helped other causes around the country to raise over £4,000,000 so far - so it really does work.

It would be useful if you could use *easyfundraising* too. **It won't cost you a penny extra** to shop through *easyfundraising* and you can even save money with special offers and voucher codes.

Anyone who shops online can also contribute to Carlton MVC funds.

The reason this can be done without costing you any more is that *easyfundraising* will receive money from the various companies for introducing customers to them. They then give most of this fee back to your chosen 'good cause'.

It would be great if you could support the choir by using *easyfundraising*.

Thank you.
